PAŠPĀRVALDE

JVLMA Student Council represents the interests of the Academy's students by participating in the implementation and improvement of the study process.

“We are a bridge between students and other (the Academy's administration, state institutions, student associations, other higher education institutions, and their student councils).”

WE REPRESENT YOUR INTERESTS

- We represent students in various councils and committees, as well as decision-making bodies (the Scholarship Committee, Senate, Constitutional Assembly, etc.);
- We help resolve individual issues between students and lecturers/administration when necessary;
- We inform the administration about students' needs;
- We follow up on these matters to ensure that solutions are found;
- We inform students about everything that is current, important, and interesting.

Fosters a sense of community

- ❖ We actively showcase JVLMA student life on our social media platforms;
- ❖ We keep students informed about current opportunities and offers via email;
- ❖ We make sure you are informed about all the most important matters;
- ❖ We take care of a cozy atmosphere and provide warm tea in Room 022B;
- ❖ We organize balls and other social events;
- ❖ We organize a Christmas charity campaign;
- ❖ We celebrate the little moments together — for example, we give students gingerbread cookies at Christmas.

WE CREATE OPPORTUNITIES TO RELAX, HAVE FUN AND CONNECT

- We organize the 1 September celebration, JVLMA Anniversary Ball and JVLMA Graduation Ball every year, as well as Open Day meetings for prospective students and Jam Sessions;
- Three times during the academic year, we evaluate applications for funding for JVLMA students' creative trips;
- We serve as an independent jury for the JVLMA competition "Best Student Chamber Ensemble", presenting our own awards;
- We represent the Academy of Music at presentation events held in Latvia's professional music secondary schools, as well as at Student Forums and conferences.

WE HELP BUILD AND UPHOLD THE ACADEMY'S REPUTATION

- ❖ We contribute to the continuous improvement of the Academy's reputation;
- ❖ We plan how and where to represent and promote the Academy;
- ❖ We build partnerships with other higher education institutions, student associations, and state institutions;
- ❖ We work to ensure that the study environment at the Academy is inspiring, supportive, and progressive for every student.

WE CARE ABOUT YOUR WELL-BEING

- ❖ We actively advocate for improving student leisure spaces: the basement student lounge 022B has been renovated, and with our co-financing and active involvement, Room 010 has also undergone renovation works, while the outdoor courtyard leisure area has been improved;
- ❖ In the basement student lounge 022B, we provide tea and blankets to help students keep warm and feel comfortable;
- ❖ We have equipped the leisure area with a microwave and a novuss table;
- ❖ In cooperation with the Facilities Department, we encourage students to take care of closing windows, ensuring the availability and preservation of music stands in all classrooms, and using electricity and lighting efficiently and responsibly.
